This PlayShop will be a hands on experience using a laptop, tablet or your phone to explore how social media can be used ethically and successfully to develop your own professional learning platforms. We will be highlighting: how to update your digital literacy skills, using Facebook as part of your CPL with the College, and seeing how some of the social media tools could be used in our practice.

Let's play at creating our own documentation and reviewing some available apps. Bring your ideas so we can create some new understandings with our group knowledge.

Brought to you by: Kathy Boelsma, Lead Collaborator and Curious Learner and Angela Boelsma, a Graphic Design Artist and Social Media Specialist.

**Bring:** laptop or tablet if you have one, we will have some laptops there for creation of social media accounts.

**Registration:** To register, email Kathy Boelsma at [info@re-cognition.ca](mailto:info@re-cognition.ca)

**\$30/ticket**

Payment accepted in cash/cheque by arrangement or via e-transfer to [info@re-cognition.ca](mailto:info@re-cognition.ca)
